

SCHOLARSHIP RELEASE OF INFORMATION

In order to determine eligibility, some scholarship providers need a student's enrollment, academic progress, and/or financial aid status. In order for our office to provide this information to private scholarship donors or other educational institutions, we must have this signed authorization from you, per the Family Educational Rights and Privacy Act of 1974 (FERPA) and the Higher Education Act. Read more about FERPA on the Office of the Registrar FERPA webpage: <https://www.mines.edu/compliance/ferpa/>.

If you or your donor(s) require a transcript at any time it will be your responsibility to provide it. Official transcripts can be ordered from the Registrar's Office; for information visit <https://www.mines.edu/registrar/transcripts/>. If, for any reason, you do not want us to release information to a specific scholarship donor, you must notify us in writing before the start of each semester. If you consent, please complete, sign and email this form to Scholarship Office. You will not need to complete this form again; this form will stay on file. You are encouraged to keep a copy for your records.

Consent to Release Information

During my enrollment at Colorado School of Mines, I authorize the Financial Aid Office to provide grade, enrollment and/or financial aid information to any authorized donor(s) or other educational institutions requesting this information as a condition for receiving funds. I understand it is the donor's decision to continue funding my scholarship upon receipt of this information. In addition, I give scholarship donors and other educational institutions permission to discuss and provide my financial aid and academic information with Colorado School of Mines.
